

The Fields Lie Silent

Gone the leaf and gone the lark
The wild rose and the plough
The birds have flown their summer home
The fields lie silent now

Halsway Carol

After the second and fourth(last) verses
A winter day, the summer grass turned hay
Frost in the field 'til the dawn of May
A summer's light never shone as great or as bright
So dance in the shadows of a winter's night

The Copper's Christmas Song

(final verse)

Now Christmas is come and our song is almost done
For we soon shall have the turn of the year.
So fill up your glasses and let your health go round,
For I wish you all,
For I wish you all a joyful New Year.

We Three Kings

O star of wonder, star of night
Star with royal beauty bright
Westward leading, still proceeding
Guide us to thy perfect light

**Now good people we are done,
we hope we've pleased you
every one ...**

CHORUSES - 18th DECEMBER 2020

OVERTURE

Seasons Turn

The seasons of the year, turn, turn again
Welcome gold Autumn, welcome green Spring,
Blue Summer and white Winter's rain.

Gloucester Wassail

Wassail, wassail, all over the town
Our toast it is white and our ale it is brown
Our bowl it is made from the white maple tree,
With our wassailing bowl we'll drink to thee.

When The Green Man Walks The Forest

Oh, when will this winter be over? When will this winter be done?
When the Green Man walks the forest, then we'll know spring's
begun.
When the Green Man comes a-walking, then we'll know; then we'll
know
